

Birthdays are a special time of year,
and the
Turner Syndrome Society of the United States
wants to help you celebrate!

Great things come in small packages, and no one knows that better than us at TSSUS, our supporters, and our friends who create delicious bite sized cupcakes and desserts at *Baked by Melissa*.

Baked by Melissa cupcakes are world famous, tiny cupcakes with fun flavors like Peanut Butter & Jelly, Tie-Dye, Cookie Dough, Triple Fudge and Red Velvet. A beautifully packaged box of "The O.G." (Original Greats) cupcakes will be delivered to the Birthday Society winner the week of their birthday.
