**Room deposit:** The hotel requires that all reservations be secured by the reservations due date with a guaranteed payment method. Credit cards, debit cards, checks and money orders are acceptable forms of guarantee and/or deposit funds. Five (5) days prior to your arrival, a one night's guestroom and tax authorization will be processed on your credit/debit card, if there is no deposit. Please be aware that an authorization on a debit card will reduce the funds available in your bank account at that time.

**Hotel cancellation policy:** The hotel has a five (5) day individual guest room cancellation policy. If you cancel less than five (5) days prior to arrival, the credit/debit card used to guarantee the reservation will be charged a one night's guestroom and tax fee. If a deposit was sent in to guarantee the reservation it will be refunded only if the room is canceled more than five (5) days before arrival. The fee is excusable in the event of a documented family emergency.

Individual departure dates will be reconfirmed upon check-in. Any adjustments to the departure date should be made at that time. If you shorten your length of stay after you check in, there will be a one-time \$50.00 administrative fee. Fee excusable in the event of a documented family emergency.

**Transportation:** No shuttle service is available to hotel.
